Find the Kronos Scheduling Option Right for You

What are you missing by not managing schedules in Kronos? Your workforce management solution becomes more powerful when you implement employee schedules within Workforce Central. Kronos offers many options for managing schedules, but which tool is right for your organization? This latest webinar in our series will look at how each module works, from the basic options you have already with Workforce Timekeeper to the advanced functionality of Workforce Scheduler as well as the unique features of Workforce Telestaff.

Which scheduling tool

does your organization need?

Standard Scheduler | Workforce Scheduler | Workforce TeleStaff

[Join us for this webinar](#) to learn from the MM Hayes Kronos experts and ask any questions you have about the various scheduling tools Kronos offers. Discover the benefits within each module, including improved schedule views for managers, empowered options for employees, vacation and position bidding, and much more.

Utilizing the Power of Kronos Scheduling Options

Friday, June 5, 2015, 11:00 AM - 11:45 AM EST
